

Career Wheel Worksheet

Purpose

This activity allows your FutureSmart Scholar to explore various career options and connects them to the characteristics, skills, and training they need to successfully pursue those options.

Materials Needed

Printed Worksheet

Pencil or Pen

Timer

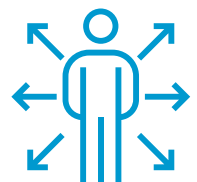

Fidget Spinner

Activity Instructions

- 1 Print out copies of the Career Wheel Worksheet.
- 2 Place the fidget spinner or spinner toy on top of the center of the career wheel.
- 3 Have your FutureSmart Scholar spin the toy. It will stop on one of the career options on the wheel.
- 4 For every spin and stop, ask your scholar to share 3 characteristics, skills, and training types they may need to successfully pursue that career. Give them 1 minute each.
- 5 Spin at least five times.
- 6 Creative answers can be rewarded with candies or other treats.

Lessons Learned

Through this activity, your FutureSmart Scholar works to understand the needs of different career paths. By talking through the characteristics, skills, and training needed for each path, Scholars come closer to understanding the steps they need to take today to prepare for their future dream career.
