

Comparing Stocks Worksheet

PURPOSE

This activity allows your FutureSmart Scholar to reflect on their interests and research stock information for companies they are interested in. Students will use the New York Stock Exchange website to describe and compare stocks based on their typical risk and return levels.

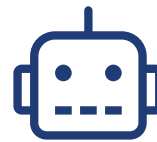

MATERIALS NEEDED

Printed Worksheet

Pencil or Pen

Technology

ACTIVITY INSTRUCTIONS

1. Print out copies of the Comparing Stocks Worksheet.
2. Part 1: Take time to reflect and write down some of your favorite things/companies.
3. Part 2: Type www.NYSE.com into your web browser and search for stock information for the companies listed in Part 1.
4. Compare and contrast your findings and discuss possible risk and return levels.

LESSONS LEARNED

At the end of this activity, your FutureSmart Scholar will be able to compare and contrast stock options for various food, clothing, electronics, and social media companies. They will be able to use this learning to guide their future investment journeys.

PART 1
