

Investing in You Worksheet

PURPOSE

This activity will encourage your FutureSmart Scholars to think about what they want to be when they grow up and what steps they need to take in order to get there. The goal of the activity is to help participants think about their future careers in a way that is personal and positive.

MATERIALS NEEDED

Printed Worksheet

Pencil or Pen

FutureSmart
Course Knowledge

ACTIVITY INSTRUCTIONS

1. Print out copies of the Investing in You Worksheet.
2. Have your FutureSmart Scholar go through the worksheet and help Sydney plan for her future!
3. After helping Sydney figure out her plan for the future, your FutureSmart Scholar must think through their own strengths, likes, personal qualities and favorite subjects in order to complete the remaining worksheet.
4. Use this time as an opportunity to discuss various other career and education options that are not listed in the example section on the worksheet.
5. Once your Scholar has completed the worksheet, you can help them review their answers and create a plan on how they can start preparing for their future now.

Note: Your FutureSmart Scholar should use knowledge from the characteristics and information learned about Sydney throughout the FutureSmart Digital course.

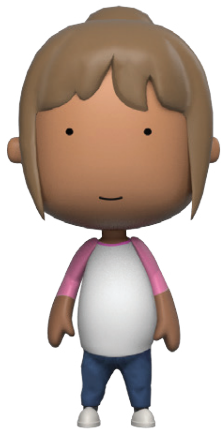

LESSONS LEARNED

At the end of this activity, your FutureSmart Scholar will be able to identify the activities they enjoy doing, what personal qualities describe them and what subjects they enjoy learning. Your Scholar will be able to think differently about how to explore their career goals and how they can start preparing now.

Go through this worksheet and help Sydney plan for the future!
